

Time	Day 1 Program - Monday 14 October	
8:00-8:40	Registration	
8:40-9:00	<p align="center">Welcome and Introductions Belinda Ducker Professor Peter Schofield AO Professor Kaarin Anstey</p>	
9:00-9:40	<p align="center">Keynote Presentation Presenter: Professor Roger Dixon The University of Alberta Presentation Title: Can Precision Prevention Targets Be Identified Via Data-Driven Analyses of Asymptomatic Trajectories? Chairs: Professor Kaarin Anstey and Professor Nicola Lautenschlager</p>	
9:40-10:10	<p align="center">Plenary Presentation Presenter: Associate Professor Laura Middleton University of Waterloo Presentation Title: Physical activity in dementia prevention: Where do we go from here? Chairs: Professor Nicola Lautenschlager and Dr Ruth Peters</p>	
10:10-10:40	Morning Tea	Poster Sessions
10:40-12:15	<p align="center">Oral Presentations Theme: Interventions Chairs: Associate Professor Kathryn Ellis and Dr Moyra Mortby</p>	
	<p align="center">Introduction to Session</p>	
	<p align="center">Presenter: Dr Maree Farrow University of Tasmania Title: The Preventing Dementia Massive Open Online Course results in behaviour change associated with reduced dementia risk</p>	
	<p align="center">Presenter: Dr Joanne Ryan Monash University Title: A randomized controlled trial of the effects of aspirin on incident probable AD, MCI and cognitive decline: the ASPREE (ASPirin in Reducing Events in the Elderly) study</p>	
	<p align="center">Presenter: Associate Professor Hannah A.D. Keage University of South Australia Title: Targeting delirium as a risk reduction strategy for dementia</p>	
	<p align="center">Presenter: Dr Haley M LaMonica The University of Sydney Title: CogNet: an online Healthy Brain Ageing psychoeducation and cognitive training intervention for older adults with Mild Cognitive Impairment</p>	
	<p align="center">Presenter: Dr Tilley Pain and Luciana Theodoro de Freitas Townsville Hospital and Health Service and James Cook University Title: Improving care for people with mild cognitive impairment: trial of a cognitive functional exercise program.</p>	
	<p align="center">Presenter: Dr Amit Lampit University of Melbourne Title: Translating Cognitive Training Research into Practice</p>	

12:15-13:15	Lunch	
13:15 – 15:05	Oral Presentations Theme: Diet and Nutrition Chairs: Professor Suzana Shahar and Professor Karen Charlton	
	Introduction to Session	
	Presenter: Professor Karen Charlton University of Wollongong Title: Food based trials to prevent cognitive decline: Elucidating the effect of fruit anthocyanins	
	Presenter: Jay Jay Thaug Zaw The University of Newcastle Title: Cerebrovascular, cognitive and glycaemic benefits of long-term resveratrol supplementation in postmenopausal women	
	Presenter: Dr Barbara R Cardoso Deakin University Title: Selenium as an antioxidant strategy to prevent dementia: insights from human studies	
	Presenter: Julia Kuszewski The University of Newcastle Title: Curcumin supplementation enhances cognitive function in overweight/obese older adults	
	Presenter: Professor Suzana Shahar Universiti Kebangsaan Malaysia Title: Persicaria minor (Biokesum®) Supplementation Improved Cognitive Function, Mood Lipid Profile, Neuronal Marker and fMRI Activation in Right DLPFC among Older Adults with Mild Cognitive Impairment	
Presenter: Professor Robin M. Daly Deakin University Title: Effects of whey-protein plus vitamin D supplementation combined with progressive resistance training on cognitive function, body composition and cardiometabolic risk factors in older adults with type 2 diabetes: A 6-month randomised controlled trial		
Presenter: Dr Helen Macpherson Deakin University Title: Cognitive findings from the Protein omega 3 and vitamin D exercise research (PONDER) study		
15:05-15:35	Afternoon Tea	Poster Sessions
15:35-16:40	Oral Presentations Theme: Cohort Studies and Prevalence Chairs: Dr Kim Kiely and Dr Sophie Andrews	
	Introduction to Session	
	Presenter: Dr Kerry E Pike La Trobe University Title: Recruitment source moderates the risk of dementia and mild cognitive impairment in people with subjective cognitive decline.	
Presenter: Dr Louise Lavrencic NeuRA Title: Preventing dementia in older urban and regional Aboriginal Australians: Dementia incidence and risk factors for cognitive decline		

	<p style="text-align: center;">Presenter: Dr Supaporn Trongsakul Mae Fah Luang University</p> <p style="text-align: center;">Title: Prevalence of cognitive impairment among hill-tribe older people in the Northern part of Thailand.</p>
	<p style="text-align: center;">Presenter: Dr Nasser Bagheri The Australian National University</p> <p style="text-align: center;">Title: Dementia hot spots across Australian communities: an innovative tool to inform policy and practice</p>
<p style="text-align: center;">16:40-17:20</p>	<p style="text-align: center;">Keynote Presentation Presenter: Associate Professor Chengxuan Qiu Karolinska Institutet</p> <p style="text-align: center;">Presentation Title: MIND-CHINA: A test of multimodal interventions to delay the onset of dementia in the rural communities in China</p> <p style="text-align: center;">Chairs: Professor Kaarin Anstey and Professor Nicola Lautenschlager</p>
<p style="text-align: center;">17:20-17:30</p>	<p style="text-align: center;">Day 1 Closing Professor Kaarin Anstey</p>
<p style="text-align: center;">17:30-19:00</p>	<p style="text-align: center;">Networking Event</p>

Time	Day 2 Program - Tuesday 15 October	
8:20 – 8:50	Registration	
8:50 – 9:00	<p align="center">Welcome and Introductions Professor Kaarin Anstey</p>	
9:00-9:40	<p align="center">Keynote Presentation Presenter: Dr Ruth Peters The University of New South Wales and NeuRA Presentation Title: Dementia prevention – What else should we consider now? Chairs: Professor Kaarin Anstey and Professor Nicola Lautenschlager</p>	
9:40-10:30	<p align="center">Oral Presentations Theme: Risk Factors Chairs: Dr Craig Sinclair and Dr Lidan Zheng</p>	
	<p align="center">Introduction</p>	
	<p align="center">Presenter: Sara E Dingle Deakin University Title: Use of analytical approaches to study the association between combined health behaviours and cognition in adults: a systematic review of observational studies</p>	
	<p align="center">Presenter: Professor Thomas Astell-Burt University of Wollongong Title: Association of urban green space with mental health and general health among adults in Australia</p>	
<p align="center">Presenter: Matthew Wai Kin Wong The University of New South Wales Title: APOE genotype shapes the normal ageing plasma lipidome and reveals possible mechanisms for AD risk</p>		
10:30-11:00	Morning Tea	Poster Sessions
11:00-12:10	<p align="center">Rapid Presentations Chairs: Dr Genevieve Steiner and Brooke Brady</p>	
	<p align="center">Introduction</p>	
	<p align="center">Presenter: Dinuli Nilaweera Monash University Title: The risk of dementia in individuals with lifetime post-traumatic stress disorder (PTSD) symptoms</p>	
	<p align="center">Presenter: Dr Sophie C. Andrews Monash University Title: Apathy predicts rate of cognitive decline over 24 months in premanifest Huntington’s disease</p>	
	<p align="center">Presenter: Dr Wan Syafira Ishak Universiti Kebangsaan Malaysia Title: Development of Malay Auditory-Cognitive Training System and Its Efficacy on Central Auditory Processing and Cognitive Ability among Older Adults with and without Neuro-cognitive Impairment</p>	
<p align="center">Presenter: Kirsten Dillon The Univeristy of Western Ontario Title: Secondary analysis of the RESEDENT study- REducing SEDENTary behaviour may slow cognitive decline in older adults with mild cognitive impairment: A pilot study</p>		

	<p align="center">Presenter: Dr Garry Niedermayer Western Sydney University</p> <p align="center">Title: Characterization of the radiotracer [18F]PBR111 as an in vivo marker for neuroinflammation in GFAP-IL6 mice</p>	
	<p align="center">Presenter: Dr Genevieve Z. Steiner Western Sydney University</p> <p align="center">Title: Reduced neuronal activation of attention and cognitive control mechanisms in amnesic mild cognitive impairment (aMCI) compared to healthy controls</p>	
	<p align="center">Presenter: Dr Ying Xu NeuRA</p> <p align="center">Title: Coexistent epileptic seizures and Alzheimer's dementia: incidence, prevalence and characteristics</p>	
	<p align="center">Presenter: Adele E. Cave Western Sydney University</p> <p align="center">Title: Efficacy of Cognition Support Formula® on cognitive function in older adults with subjective cognitive impairment</p>	
	<p align="center">Presenter: Emily Smith The University of Queensland</p> <p align="center">Title: Investigating the relationship between cerebrovascular reactivity and cognitive function in individuals with mild cognitive impairment: Baseline results from the BRAIN Training Study</p>	
	<p>Questions</p>	
12:10-12:40	<p align="center">Plenary Presentation Presenter: Professor Hiroko Dodge University of Michigan</p> <p align="center">Presentation Title: Digital biomarkers for clinical trial outcomes and enrichment Chairs: Dr Ruth Peters and Dr Kylie Radford</p>	
12:40-13:00	<p align="center">Day 2 Closing Professor Kaarin Anstey Awards Presentation</p>	
13:00-14:00	Break	<p align="center">Consensus Statement Development</p> <p align="center"><i>Closed Group – Invitation Only</i></p>
14:00-16:00	<p align="center">Researcher Training Workshop</p> <p align="center"><i>Registration Only</i></p>
